

Our Signature Board of Directors for Brunch
Plate/Board

Pee Wee Ellis.....\$12/\$22
The Chicken was written by him, but we make it our signature dish. Chicken & Waffles topped w/a honey, syrup hots sauce.

Snoop Dogg.....\$13/\$25
213 means lean and clean. Avocado Toast is the way to go, topped w/ mushroom & caramelized onions, cucumber, tomato & onion salad, smoked salmon, and shrimp ceviche.

Little Richard.....\$9/\$16
The king of rock and roll made Tutti Fruit and we made a fruit platter w/ an assortment of berries, nuts, honey, and a lemon vanilla yogurt dipping sauce.

Anita Baker.....\$8/\$15
She is not really a baker, but we are. Biscuits accompanied w/ brown whiskey gravy, whipped butter, honey, grained mustard, cheese, and poultry or pork sausage.

Wynton Marsalis.....\$9/\$17
Can't get more trad jazz than the man himself, so we went really trad with bacon/sausage, eggs, waffle, grits, butter, and toast.
